Subject: Regarding A139 panels

Hi Daryl,

We talking to Harvey the other day regarding A139 panels drawing, the drawing was done to get part/mold make up, now there are ok, we thinking eliminate few of those because much control by mold have a note say regarding about that and this makes easy for QC less dimension to check in the future. For most I need is trim dimensions and oval dimensions. Thinking about that, let me know if make sense to you?

Roberto
